

Dear McCarthy-Towne Parents,

It's Auction time once more! This is our largest fundraiser of the year. With your help, we raised over \$53,000 last year! Once again, we need your support to make this event the tremendous success we know it can be.

***How can I help?***

Your unique parent donations are vital to the silent and live auction. All donations, from large ticket items to small and unique, are truly appreciated!

The ideas and options are endless, but here's a sampling of past donations that the McT Community has loved:

- Homemade items (notecards, jewelry, headbands, art)
- Talents (gardening, cooking, organizing)
- Event tickets (concert, theater, sporting)
- Vacation home rentals
- Professional services
- Memorabilia
- Themed baskets (toys, specialty foods, crafts)
- Gift certificates
- A back stage pass or tour of your place of employment or business

To donate goods or services please fill out the "Parent Donation" form on the back of this letter. Forms are due back by March 4th, 2016.

Still want to help but don't know what to donate? Consider making a contribution to a class basket. More on this option will be sent out next week via your classroom parent.

For questions regarding parent donations please contact Lisa Thermidor (lthermidor@verizon.net 617-592-8111) or additional auction information and forms go to [www.mcptso.org/auction/](http://www.mcptso.org/auction/).

Thank you for being part of this fantastic community!!!
